Subject: **Online class for 2020-2021**

Greetings to you all in the name of our Lord and Savior Jesus Christ. I hope and believe that you have good time in your respective places. I also do hope that you experienced God's faithfulness in different situations you have gone through.

I would like inform all of you that as the college cannot be re-opened because of Covid-19 problem, AICS faculty council decided to have online class from 15th June, 2020.

Online class means, teachers will give you notes and reading materials through online (WhatsApp, email, etc.).

Since you have various subjects, you must be very serious with the online class.

You will try to read the notes and reading materials as best as you can.

It will be wise to download and read them in computers.

If you prefer to print out, that will be ideal.

From 15th June, 2020, you must spend your time, day and night, for your study.

Since you will have to write your exam on the basis of your study, you have to do your best in your study.

We know that some of you will have a very weak internet signal. However, that is what and where we cannot help. You simply have to try your level best. There cannot be excuse as long as you want to continue your study and complete it.

If you want to contact your teachers for genuine reasons, feel free to contact them. We will try our best to help you.

Open AICS website time to time for new information.
